Process Engineering Superintendent *Full-Time*
- A Bachelor's or master's degree in chemical, Mechanical, or Industrial Engineering, preferred; should have 8+ years of practical engineering experience, including supervisory roles, and Professional Engineer (P.Eng.) status with APEGS

Project Manager *Full-Time*
- Responsible for overseeing all aspects of construction projects, including client relations, cost, schedule, quality and safety
- Experience in project management with focus on the mining and industrial construction sectors preferred, however, willing to train the right candidate

Quality Control Coordinator *Full-Time*
- Responsible for coordinating and performing project-specific quality control activities across assigned project sites; this is a field-focused position requiring travel between project sites in Saskatchewan based on project and inspection requirements
- Must have CWB Level 1 Welding Inspector Certification or willingness and ability to obtain

Senior Electrical Draftperson *Full-Time*
- Must have completed two years' engineering technology training with courses in electrical drafting, computer technology, and/or computer-aided electrical design and drafting or equivalent experience

Site Administrator *Full-Time*
- Will be responsible for daily administration to support all activities in office and on site

Superintendent, Production *Full-Time*
- Includes coordinating daily production activities, planning future production activities, and assisting in development of yearly budgets in regard to costs and tonnage
- Must have Grade 12 or GED (Engineering Degree is preferred), and 8+ years of Related Experience

Supervisor, Shaft Maintenance *Full-Time*
- High School/GED required (Technical Secondary School: Related Field preferred); should have 5+ years of Computerized Maintenance Management System (CMMS) experience, 5+ years of Maintenance experience and SAP experience

Switchperson *Full-Time*
- Responsible for providing safe and efficient rail car switching services typically on customer sites

Track Maintainers *Full-Time*
- Will provide track inspection, maintenance, and clearing services for the short line and various customers sites, including replacing and repairing various track components (rails, railway ties, fences) and adjusting the alignment and the surface of the track, as well as responding to emergencies and track outages

Track Welder (Yarbo) *To Be Determined*
- Should have federal and provincial welding qualification or equivalent experience, and are physically able to perform the duties; operator qualifications and experience, and post secondary trade education are considered assets

Underground Conveyor Installation Personnel *Full-Time* NEW
- Must have previous experience with underground conveyor installations; experience working in an underground mining or industrial environment; and physically able to perform the duties and work safely at heights and in confined spaces

Underground Electrical Supervisor *Full-Time*
- Includes supervising and coordinating the work of electricians and electrical apprentices, inspecting completed work, and maintaining records
- Must have Journeyperson Electrician certification, a minimum 5 years of experience in electrical work, including supervisory experience, and 3+ years of Underground experience

Underground Heavy Duty Mechanic *Full-Time*
- Includes electrical and hydraulic troubleshooting
- Preferably hold trade certificate as a Heavy Duty or Agricultural Mechanic; Mechanic experience will be considered if no trade certificate can be provided

LANGENBURG

Agribusiness Student *Full-Time Seasonal (2027)*
- Includes assisting with crop input retail activities, soil & tissue testing, and operating equipment
- Should be students or graduates of an Agriculture degree or diploma program focusing on Agronomy, Plant Science or Soil Science; must have a valid driver's licence

Apprentice Heavy Equipment Mechanic *Full-Time* NEW
- Journeyman ticket is not necessary; must be physically able to perform the duties; experience and/or formal training definitely an asset but willing to train the right person
